WORK EXPERIENCE

School-work stage 2022

At Color Service in Carpi, I was responsible for **creating new designs** for future prints, I worked as a printing assistant and independently handled simple prints such as T-shirts and sweatshirts.

Curricular internship 2025

I completed my degree internship at **Webranking** in the UX department, participating in user research, prototyping and usability testing activities, contributing to the design of digital interfaces focused on user experience.

IT SKILLS

- Word, Excel, PowerPoint, Adobe Photoshop, Sony Vegas Pro, Canva, Figma.
- HTML, MySQL, Java, Javascript, C++.
- Knowledge of networking fundamentals, TCP/IP stack and network protocols

HOBBY

I am president of the Youth Group volunteers at the parish of San Giovanni di Novellara. I am also a passionate photographer, videomaker and history buff. I am also involved in the world of cosplay. Finally, comics and trekking are my greatest passions. I often spend my free time exploring nature trails and mountain paths, or reading.

PROFILE

I am studying Interfaces and Communication Technologies at the University of Trento.

I want to expand my professional skills in dealing with customers and improve my teamwork abilities.

SOFT SKILLS

- Teamwork
